### **Parents - please note:**

The students, your children, have worked together to produce a pleasant and special evening of music. In order to create the proper concert atmosphere, we ask that younger children **remain with their parents** and not be allowed to leave the gym without adult supervision. Students are not to be unsupervised in the halls of the building. **Please keep your children with you during the performance and teach them to be an appreciative and polite audience.** Thank you for your cooperation.
